

## FENTANYL CONVERSATION STARTER CARDS

**Have you heard of fentanyl?  
Do you know what it is and the risks  
of taking pills not prescribed to  
you?**

**CONNECT  
MORE**

**I've been checking out stuff about  
fake pills and fentanyl.**

**Have you seen or heard anything  
about it at school or online?**

**CONNECT  
MORE**

**Why do you think some  
teens get into taking pills  
that aren't for them?**

**CONNECT  
MORE**

**I've heard stories that kids have taken  
pills that were not for them and  
overdosed because the pills had  
fentanyl in them.**

**Did that ever happen at your school?  
What have you heard?**

**CONNECT  
MORE**

**What do you know about naloxone?  
Can you explain what it is and why it's  
important?  
Do you know someone trained to use it?  
What situations can it be helpful in?**

**CONNECT  
MORE**

**What are some good ways to teach  
friends or younger kids about the  
risks of taking unprescribed pills  
that could contain fentanyl?**

**CONNECT  
MORE**

**I noticed some pills I don't recognize  
in your room. Can we talk about it?  
When's a good time?**

**CONNECT  
MORE**

Instructions: Cut out these cards for whenever you need some help talking to your teen.
